

GRACE COMMUNITY CHURCH High School Director

About the Role

We're asking God for a High School Director who will provide overall leadership and vision to High School ministry at Grace. This will be done primarily through teaching the Word, shepherding leaders and volunteer teams, executing program, and partnering with parents to build disciples of the next generation. The High School Director will be an active participant in kingdom expansion and staff at Grace.

About Us

We are a mega-church where relationships are everything. We believe the Gospel deeply, so we relate and work together in ways that express our ongoing need for Jesus. Our pastors are accessible, thoughtful, and steadfast. Our welcome is intentional and engaging. Our members are generous and sincere. We're a church with a mission to meet people where they are and to help them take the next step in following Jesus. That means we care for people by meeting all kinds of needs. We love stories. We celebrate like crazy. We make disciple-makers, and we show up to do good in our community and in the world...all in the name of Jesus.

By God's grace, we continue to grow numerically, multi-ethnically, and intergenerationally. We have God-sized dreams to reach more students for Christ, but we won't sacrifice relationships or thoughtfulness to do it. Could God be adding you to our highly collaborative, relational, Gospel-centered, Grace Students staff team?
