

Grace Community Church Summer Internship Program

The Grace Community Church Summer Internship Program exists to help students interested in working full-time vocational ministry develop their character, calling, and competency as they engage in the mission of Grace Community Church. Interns will have the opportunity to discover their gifts and passions, be a part of an intern community, connect through experience with church leaders, and develop a clear understanding of what it looks like to be led more by Jesus, to Jesus, and like Jesus.

Interns will serve in one major area but will be exposed to a broad range of ministries and experiences. These areas include Grace Kids, Grace Students, Communications, and Worship Ministry.

If interested in participating in the Grace Community Church Summer Internship Program one is required to:
