From Pastor Dave Brewer

"When considering if Christianity is true, it all boils down to whether Jesus rose from the dead. The lives of Christians today demonstrate that the resurrection is still changing people. It changes fear into love, despair into joy. The resurrection changes people from being spiritually dead to being alive to God. It changes guilty condemnation into a celebration of forgiveness and freedom. It changes anxiety into a hope that goes beyond the grave. It can change our sinful hearts so they want to follow the Lord Jesus, and the power of the resurrection is relentlessly killing sin in every true Christian."

- Adrian Warnock

The cross and the resurrection of Jesus changes everything. It turned the world upside down 2000 years ago, and continues to change lives today. I pray that this Easter, the true power of the death and resurrection of Christ fills your family's hearts so you can know and follow him more passionately than ever. Happy Easter!
