## From Pastor Dave Brewer

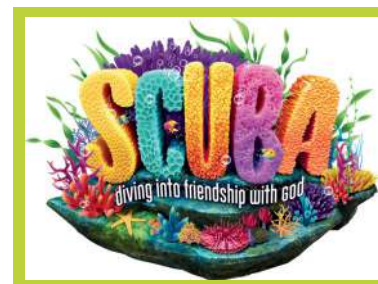

**Love Jesus more than you love your kids.**

I remember receiving this piece of parenting advice as a young parent. The point is NOT that we shouldn't love our kids. Quite the opposite actually. The point is that the more we love Jesus and pursue him personally, the more that will naturally overflow into our parenting. I think that's the point of Deuteronomy 6, as we personally pursue loving the Lord our God with all our heart, it will overflow naturally into our kids throughout life!
