

## MOTHER & FATHER FORMATION 2026-2027 Cohort Starting Soon!

**Parenting was never meant  
to be a solo journey!**

Whether you're a mom or a dad, Mother Formation and Father Formation will help you build a vision and practical plan for discipling your children to follow Jesus.

Join other parents **once a month** for encouragement, real-life conversations, and practical tools for navigating everything from technology and sexuality to everyday discipleship at home.

As you invest in your relationship with Christ and grow alongside other parents, you'll be better equipped to help your children know, love, and follow Jesus.

Come learn, connect, and be encouraged!

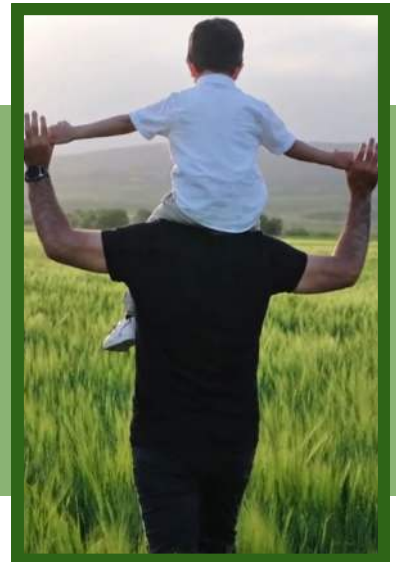

**Moms – Tuesday evenings  
Dads -- Saturday mornings**

## SAVE THE DATES GRACE KIDS FAMILY EVENTS

Grace Kids is here to help you have fun with your children  
and grow as the primary disciple-maker in their lives.

**ADVENTure Experience // Sunday afternoon, Nov 29**

Your family will discover simple, meaningful ways to make Advent more than a countdown to Christmas by creating a deeper longing for Jesus in your everyday life. Plus, we'll reveal the exciting theme for Family VBS 2027!

**Ash Wednesday Experience // Feb 10**

Learn about Lent and begin the journey through interactive stations that teach how to begin returning to Jesus as you prepare for the celebration of Easter.

**FAMILY VBS // Sun--Thurs, June 27 - July 1**

Five unforgettable evenings packed with games, experiments, Bible adventures, worship, and so much more!

RSVP

## Let's Build a Robust Partnership

### *How?*

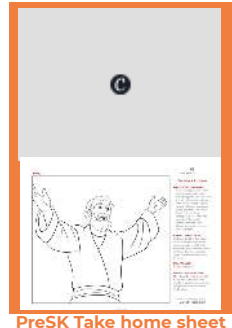

***Did you know that some of the most important discipleship moments happen right at home?***

***Grace Kids wants to partner with you  
to disciple your children to know, love, and follow Jesus!***

**Keep the Conversation Going at Home:** Every Sunday, your child comes home with an activity sheet and/or you receive a Parent Take-Home to help you continue the conversation throughout the week. Use it to revisit the Bible story, read together from one of our recommended family Bibles, talk about what your child learned, and try the fun family activity. It doesn't have to be complicated, just a few intentional moments can have a lasting impact! Imagine having just two faith conversations each week. By the end of the year, that's more than 90 opportunities to help your child know God, ask questions, wrestle with truth, and grow in their relationship with Jesus. Small conversations today can help build a faith that lasts a lifetime.

## PreSK Take home sheet

**Around the Table, Around God's Word:** What if God's Word became part of your family's everyday conversations? Each month in K-5th, pick up the new Verse of the Month Table Card and place it somewhere you'll see it often, on the kitchen table, by the coffee maker, or even next to the cereal boxes! Challenge your family to learn the verse together, reciting it at meals, in the car, or before bedtime. Don't forget to collect the matching laminated memory verse card each month and watch your family's collection, and God's Word hidden in their hearts, grow throughout the year. Small moments spent memorizing Scripture together can have an eternal impact!

## Tots Take home sheet

## Tots Playlist

## PreS/K Playlist

**Turn Up the Worship:** Bring Sunday worship into your everyday routines! Whether you're driving to school, making dinner, or having a living room dance party, play the Grace Kids Spotify playlists and sing along to the songs your children are learning each week.

**Know Them. Encourage Them. Pray for Them.** Your child's Grace Kids leader is more than a friendly face on Sunday. They're a faithful partner in helping your child know and follow Jesus. Take a few minutes to get to know the incredible team members who invest in your kids -- learn their names and let them know you're thankful! Then, make it a family habit to pray for them. Imagine the impact of kids seeing their parents encourage and pray for the very people helping shape their faith.

**One Sunday a Month. A Year of Growth:** Want to know what your kids are learning on Sundays? Join the Grace Kids team and serve **just 1x/month!** As you serve alongside experienced leaders, you'll have 12 opportunities to learn practical ideas, new insights, and hands-on ways to disciple kids. Best of all, you'll be investing in the faith of many children while growing as a disciple-maker for your own.
